Instructions for Recipient

Box 1. Shows the total amount you received this year. The amount may have been a direct rollover, a transfer or conversion to a Roth IRA, a recharacterized IRA contribution; or you may have received it as periodic payments, as nonperiodic payments, or as a total distribution. Report the amount on Form 1040 or 1040-SR on the line for 'IRA distributions' or 'Pensions and annuities'.

Box 2a. This part of the distribution is generally taxable. If there is no entry in this box, the payer may not have all the facts needed to figure the taxable amount.

Box 4. Shows federal income tax withheld. Include this amount on your income tax return as tax withheld.

Box 7. The following codes identify the distribution you received: 1-Early distribution, no known exception; 7-Normal distribution; G-Direct rollover of a distribution to a qualified plan. IRA/SEP/SIMPLE box is checked if the distribution is from a traditional IRA.
